Director's Report NB, PEI, Newfoundland & Labrador — H. Brain Reid

Congratulations to the 2010 CSSA National Specialty Show Committee for hosting an excellent National Specialty in Saskatoon.

The venue was very appropriate with the Specialty conducted in a separate "Hall" adjacent to the all breed show, which enabled intimacy for the National Specialty, with the advantage of available resources in the next "Hall" if needed. The Committee did a superb job of planning and conducting all of the National Specialty events.

The presence of membership, well in excess of a quorum, at the Annual General Meeting in Saskatoon provided input and approval to the motions on the one term tenure of the Past President and to revisions to the Code of Ethics. A discussion on the financial status of the Canadian Kennel Club provided unanimous direction by the members, present at the AGM, to the Executive.

The year 2010 has seen a decrease in the conformation entries for Shetland Sheepdogs in the Atlantic region compared to previous years. The all breed

conformation show entries are down slightly, but the Sheltie entries are in a decline. There undoubtedly are cycles to participation in any activity and we certainly need to encourage new and increased participation in our fancy.

Congratulations, to each of our members, on your plans and on your successes.

May your expectations be fulfilled!

Brian
